

SETTING UP YOUR PROFILE

FIRST STEPS:

1. The first time you log in to Shelterluv, you'll need to select your role in A4A. Most of our will simply be "intake animals". This will guide them on what training you might need.
2. Click on intake animals then click the submit button.
3. Then Click on your name in the top right corner to change your password.

Welcome to Shelterluv!

What types of activities do you do in your day-to-day work with your organization?
Please select all that apply.
Knowing what your day-to-day looks like will help us give you the training and resources that are most relevant to you.

- Manage applications
- Process adoptions
- Process other non-adoption outcomes, like RTO
- Process other transactions (retail, services, etc)
- Manage foster parents and foster pets
- Coordinate transfers
- Medical entry (DVM)
- Medical entry (clinic staff/vet technicians)
- Medical (non-clinic staff)
- Animal control/field services
- Intake diversion/community programs
- Trainer/behavior
- Development/fundraising
- Accounting/finance
- Organizational leadership/management
